## ***What Serves You?***

*Take politics for example. The heart-mind chooses sides. But when the sides or all the options are from a negative perspective, or has the appearance of not serving you; then you change your mindset for your soul to serve your own soul.*
*Why allow others to bring you down to their perspective if your perspective should be from a positive standpoint? (Note; Using the term "level" is not from a correct understanding.)*
*Focus your awareness from the standpoint being from love, which is the basis of truth.*
*Then your understanding from that perspective, coming from truth, bad news is actually good news, or news the has no opinion or comment.*
*Then sorrow, fear, anger, bitterness simply does not exist in your world.*
*The answer is you, in you, from you. So who do you want to be, or who is telling you who you are? Who is serving who?*
*So give that some thought and see if you can understand how to implement that plan and not change who you really are, (your spiritual self), and not serve the flesh-worldly standpoint from your ego and the world.*
*That is coming out of the world but yet living in it.*

Rom 12:2
And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

*If God and Jesus work through you, and scriptures state you are in Them and they are in you, then what actually comes from you other then that willingness from your heart-mind, leading by way of the love coming from within oneself?*
